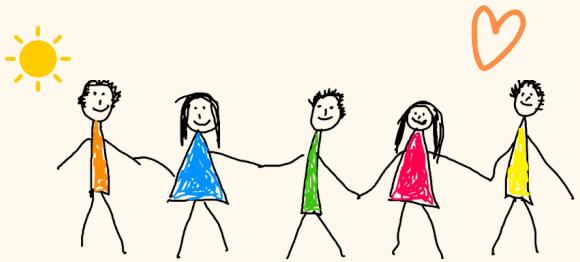
SCHOOL SUPPORT

By your child's side day after day

SCHOOL ISN'T ALWAYS EASY.

Every child experiences school differently.
Sometimes everyday school life can be challenging – for the child and for the family. In these situations, additional support can help.
That is where school support can make a difference.



HOW WE SUPPORT YOUR CHILD.

We support your child reliably throughout the school day,

- with learning
- with social interaction and friendships
- with personal care, if needed
- with a dedicated support person

We are there:

- in all types of schools
- during lessons and breaks
- on class trips, excursions and at school events
- during work placements
- on the way to and from school, if requested

HOW TO GET STARTED.

- Call us or send us an email.
- We get to know each other and discuss together how we can support your child.
- We help you with the application process.
- Your child is assigned a dedicated support person.

Once approved, the Youth Welfare Office or Social Welfare Office covers the costs.
